Rain causes adjustment to K-14 ramp work in Reno County

Recent rainy weather has caused the Kansas Department of Transportation to adjust the project schedule for closing and reopening the entrance ramp at Wilson Road/K-14 in Reno County.

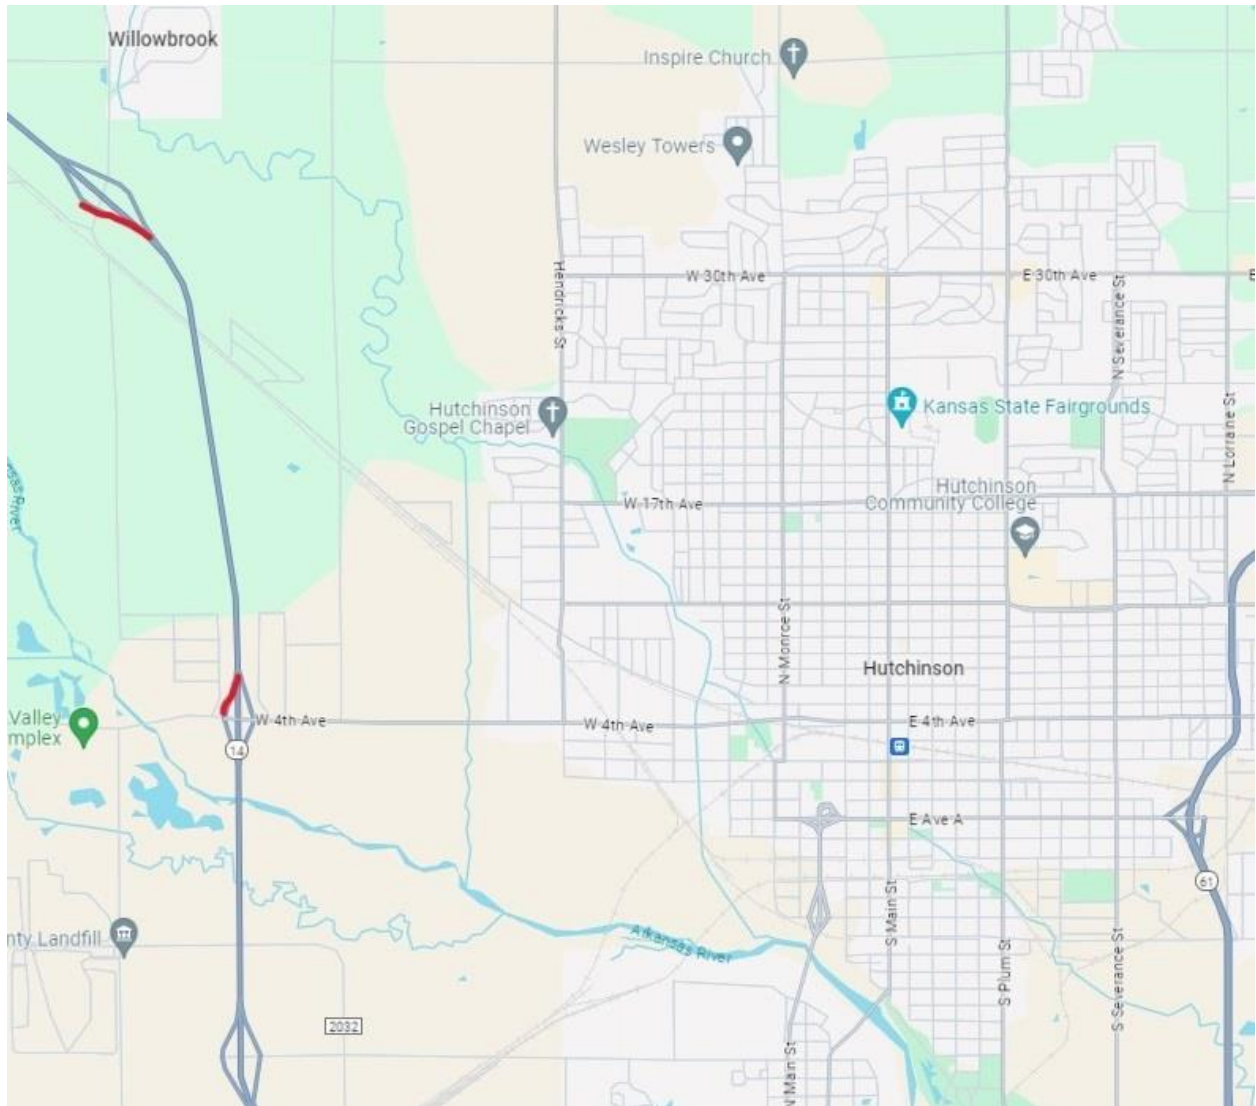

The entrance ramp from Wilson Road to southbound K-14 is now expected to close Monday, May 6, and reopen around 10 a.m. Tuesday, May 7.

The exit ramp from southbound K-14 to 4th Avenue is expected to close Tuesday, May 7, and reopen around 10 a.m. Friday, May 10.

The map below shows the new expected ramp closures, marked in red.

The ramp work is part of a nearly \$3.6 million patching project on K-14. The Kansas Department of Transportation project is from the west K-14/U.S. 50 junction north to Yaggy Road. The length is almost 7 miles. The work is expected to be completed around mid-August.

For updated information on this and other KDOT highway projects and road conditions across the state, go to www.kandrive.gov.
