U.S. 75 resurfacing work starts this week

Friday, May 10, the Kansas Department of Transportation (KDOT) plans to begin work on a U.S. 75 resurfacing project in Wilson County. The 10-mile project area starts 4 miles north of Altoona and continues north to end at the Wilson-Woodson county line.

Flaggers and a pilot car will direct one-lane traffic through the work zone; expect delays of 15 minutes or less. Weather permitting, the work should be finished by mid-June.

KDOT awarded the construction contract of \$1.2 million to Vance Brothers Inc. and Subsidiary, Kansas City, Missouri. Check KDOT's updated traveler information website, www.Kandrive.gov, for more highway condition and construction details. Persons with questions may contact Robyn Daniels at (620) 577-7315 or Priscilla Petersen at (620) 902-6433.
