## **I-435/U.S. 69 overnight closures planned for April 28 and 29 in Overland Park**

Multiple full closures are scheduled overnight Sunday, April 28 and Monday, April 29 including I-435 lane segments and ramps at the I-435/U.S. 69 interchange in Overland Park, weather permitting.

These temporary closures are necessary to allow for bridge work and are part of the Kansas Department of Transportation U.S. 69 Expansion Project (69Express). Message boards have been placed in the area to alert motorists to the upcoming closures.

**The following will be fully closed to traffic from 5 p.m., Sunday, April 28, to 6 a.m., Monday, April 29:**

- All westbound I-435 lanes at U.S. 69
- Westbound I-435 to southbound U.S. 69 ramp
- Northbound U.S. 69 to westbound I-435 ramp

**The following will be fully closed to traffic from 7 p.m., Monday, April 29, to 6 a.m., Tuesday, April 30:**

- Eastbound I-435 to northbound U.S. 69 ramp

**During the scheduled closures, the following detours will be marked:**

- **Westbound I-435 and westbound I-435 to southbound U.S. 69 traffic will be detoured to northbound U.S. 69 and exit at 103<sup>rd</sup> Street, then turn right and travel westbound to the 103<sup>rd</sup> Street/southbound U.S. 69 entrance ramp and then to westbound I-435.**
- **Northbound U.S. 69 to westbound I-435 traffic will be detoured to 103<sup>rd</sup> Street exit, then turn right and travel westbound to the 103<sup>rd</sup> Street/southbound U.S. 69 entrance ramp.**

- Eastbound I-435 to northbound U.S. 69 will be detoured to College Boulevard exit, then turn left and travel eastbound to the College Boulevard/northbound U.S. 69 entrance ramp.

The 69Express project includes reconstruction of U.S. 69, widening the highway with added express lanes – one in each direction between 151<sup>st</sup> and 103<sup>rd</sup> Streets – and interchange improvements at U.S. 69/167<sup>th</sup> Street in Overland Park.

*Maps below show closure locations marked in red and detour routes marked in blue and orange.*

All current U.S. 69 corridor construction and closure information is available on the 69Express project website, [www.69express.org](http://www.69express.org). For additional information, members of the public can get regular construction updates on the project on [Facebook](#) and [X](#) (formerly Twitter) pages and by [subscribing to the project newsletter](#) and [signing up to receive text message alerts](#).
