KDOT to replace guardrail on U.S. 59

The Kansas Department of Transportation (KDOT) plans to start a project to replace guardrail on U.S. 59 in Anderson County on Tuesday, Jan. 21, weather permitting.

Guardrail will be replaced at eight locations on seven miles of U.S. 59 between the north city limits of Garnett and the Anderson-Franklin county line. Flaggers will direct one-lane traffic through the work zones, with brief delays expected.

KDOT awarded the construction contract of \$494,000 to Leavenworth Excavating & Equipment, Leavenworth. The road work is expected to be finished by mid-April.

Persons with questions may contact Troy Howard at KDOT-Garnett, (785) 448-5446, or Priscilla Petersen at KDOT-Chanute, (620) 902-6433. Please drive safely and always wear your seat belt.
