## **Two K-14 ramps to close at Sixth Avenue in Reno County**

The exit ramp from northbound K-14 to Sixth Avenue is expected to close Monday, April 15, and reopen around 10 a.m. Thursday, April 18.

The entrance ramp from Sixth Avenue to northbound K-14 is expected to close Thursday, April 18, and reopen around 10 a.m. Tuesday, April 23.

During the closures, motorists should seek other routes.

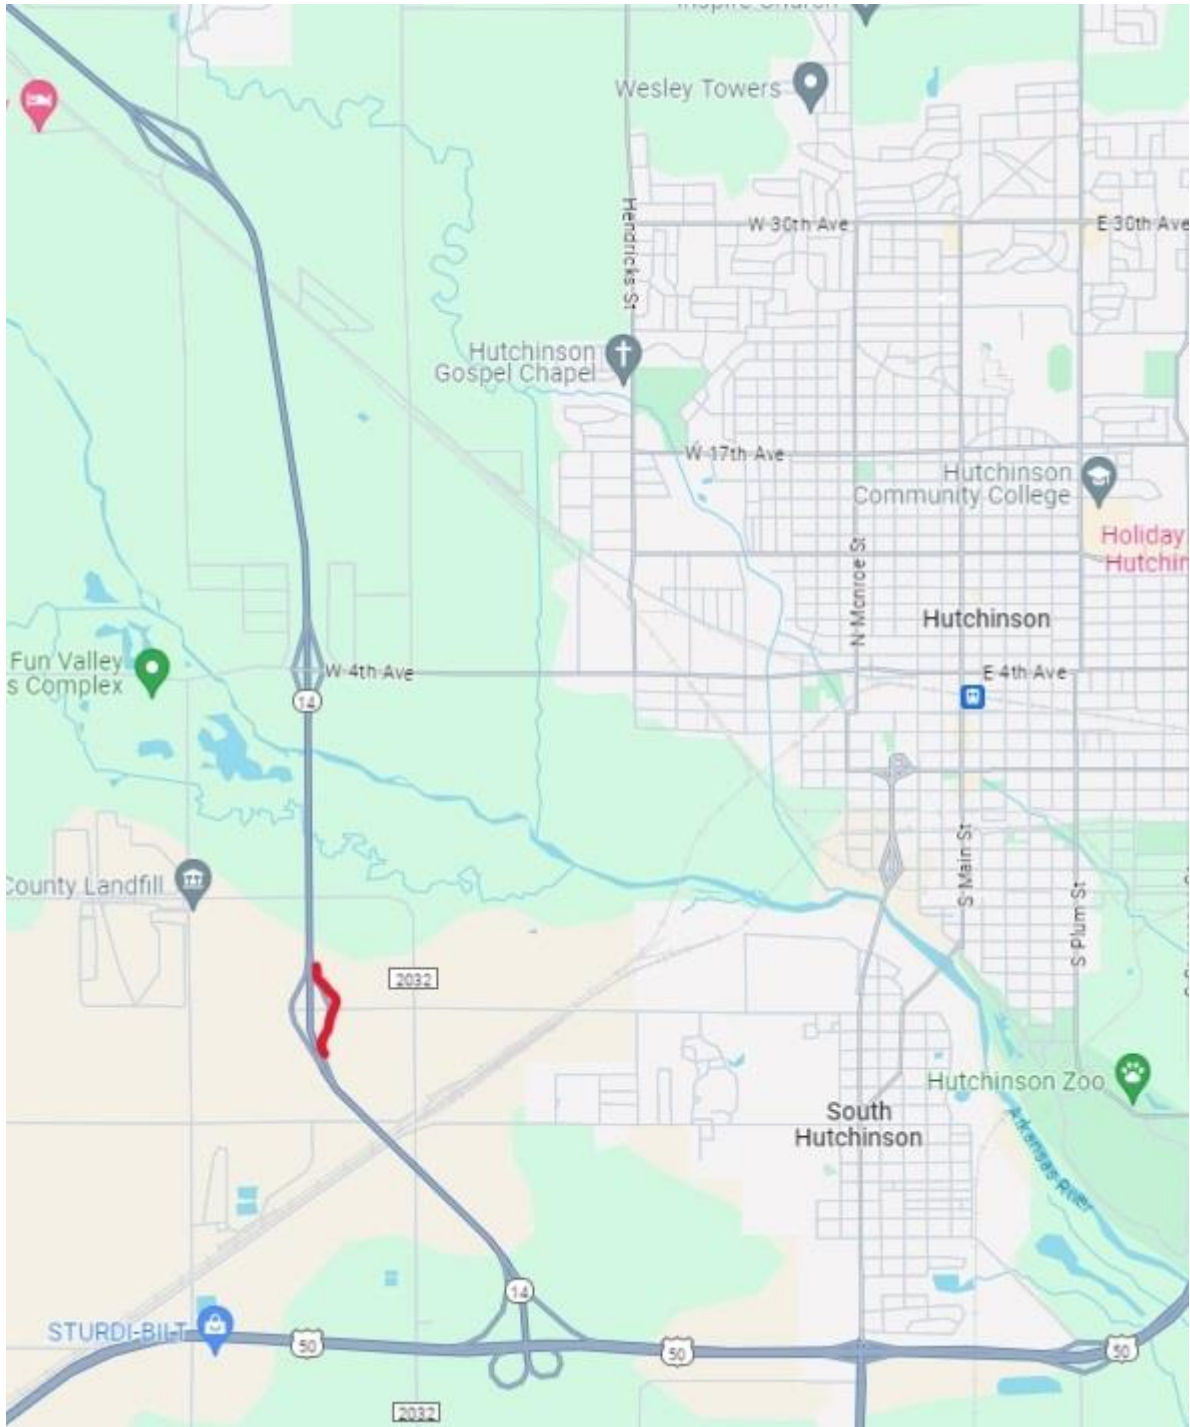

**The map below shows the ramp closure locations, marked in red.**

The ramp work is part of a nearly \$3.6 million patching project on K-14. The Kansas Department of Transportation project is from the west K-14/U.S. 50 junction north to Yaggy Road. The length is almost 7 miles. The work is expected to be completed around mid-August.

During the work, ramp closures will occur at times. K-14 traffic will be restricted to one lane and controlled by flaggers or a pilot car. Motorists should be prepared to slow down and stop and face delays of up to 15 minutes.

Iowa Civil Contracting Inc., of Victor, Iowa, is the primary contractor for the \$3,559,085 project.
