Southbound K-14 ramp to eastbound U.S. 50 to close in Reno County

The ramp from southbound K-14 to eastbound U.S. 50 is expected to close around noon Wednesday, April 10, and reopen around 10 a.m. Saturday, April 13.

The ramp is at the west K-14/U.S. 50 junction in Reno County.

During the closure, motorists should seek other routes.

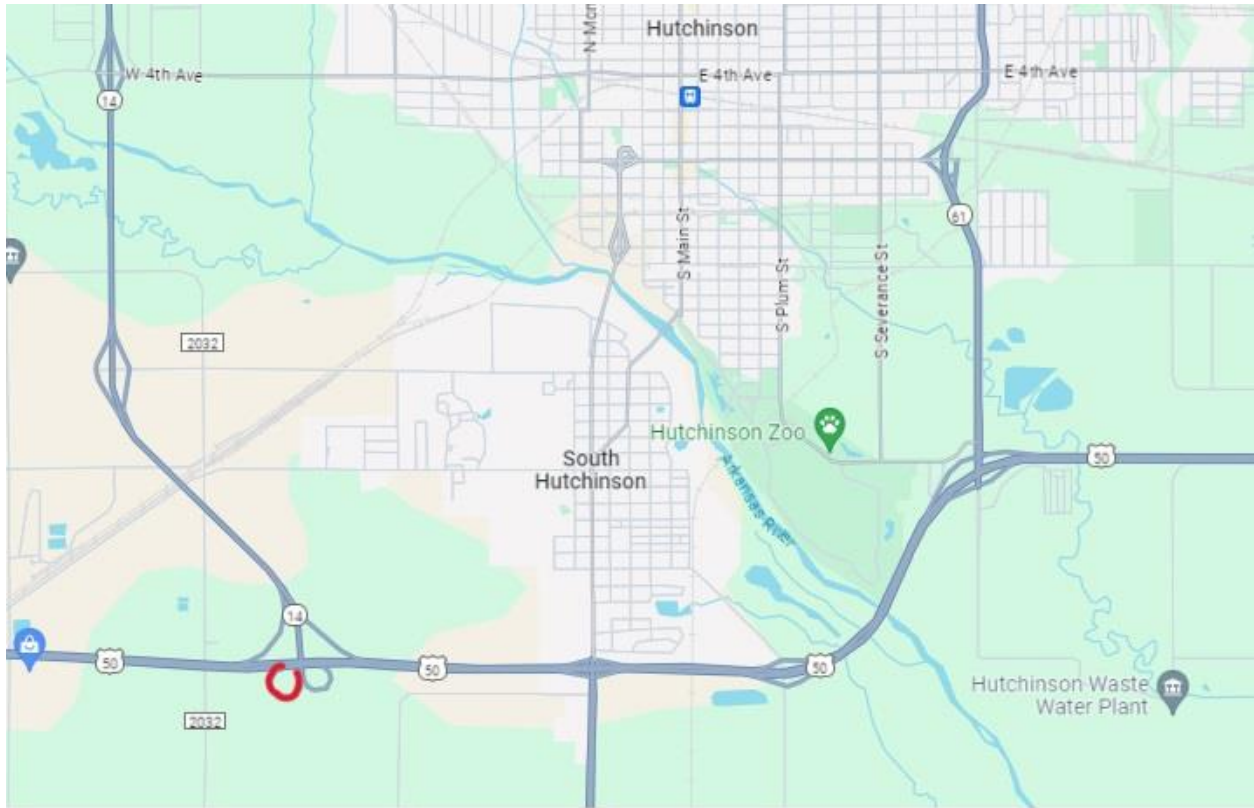

The map below shows the ramp closure location, marked in red.

The ramp work is part of a nearly \$3.6 million patching project on K-14. The Kansas Department of Transportation project is from the west K-14/U.S. 50 junction north to Yaggy Road. The length is almost 7 miles. The work is expected to be completed around mid-August.

During the work, ramp closures will occur at times. K-14 traffic will be restricted to one lane and controlled by flaggers or a pilot car. Motorists should be prepared to slow down and stop and face delays of up to 15 minutes.

Iowa Civil Contracting Inc., of Victor, Iowa, is the primary contractor for the \$3,559,085 project.
