Railroad repairs will close K-14 Highway in Harper

On Tuesday, April 8, K-14 Highway will close for one (1) day near the north city limits of Harper, for repairs to the BNSF Railroad crossing. All traffic will need to follow the posted signs for an alternate route. K-14 northbound traffic will be routed on highway routes using US-160 to north K-2 then back west on K-42 to K-14. Southbound K-14 traffic will follow the reverse of this route. Highway construction project locations and road condition information can be viewed at the <http://511.ksdot.org> website, or can also be accessed by telephone by dialing 511. KDOT urges all motorists to be alert, obey the warning signs, and “Give ‘Em a Brake!” when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects can call South Central Kansas Public Affairs Manager, Martin Miller, at 620-663-3361 or 1-877-550-5368 (Toll free).
