### **K-102 resurfacing project to start Oct. 14**

The Kansas Department of Transportation (KDOT) plans on Wednesday, Oct. 14, to begin a resurfacing project on K-102 in Cherokee County.

An asphalt overlay will be placed on the entire five miles of K-102 between West Mineral and K-7.

Flaggers and a pilot car will direct one-lane traffic through the project area during daylight hours; expect delays of 15 minutes or less. The resurfacing work should be completed in two weeks, weather permitting.

KDOT awarded the \$310,147 construction contract to Heckert Construction of Pittsburg.

Drivers are reminded to obey the signs and flaggers, and to slow down. Persons with questions may contact Kyler Farmer, (620) 308-7617, or Priscilla Petersen, (620) 902-6433.
