### KDOT to resurface K-103

The Kansas Department of Transportation (KDOT) expects to begin a resurfacing project on K-103 the week of June 14. The project area covers the entire route, starting at the K-7 junction and continuing east to U.S. 69.

Project activity includes a mill and overlay. Flaggers and a pilot car will guide one-lane traffic through the work zone; expect delays of 15 minutes or less on days when the project is active.

KDOT awarded the construction contract of \$718,523 to Apac-Central, Inc., Fayetteville, Ark. Weather permitting, the project should be finished by late June. Persons with questions may contact KDOT Construction Engineer Kyler Farmer, (620) 308-7617, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
