U.S. 169 concrete patching set to begin in Allen County

The Kansas Department of Transportation (KDOT) will begin concrete patching on U.S. 169 in Allen County on Monday, May 18, weather permitting.

The work will take place just north of the Neosho-Allen county line. Flaggers and a pilot car will direct one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less.

The concrete repairs should be completed by mid-June, weather permitting.

Drivers are reminded to obey the signs and flaggers, and to reduce speed in the work zone. Persons with questions may contact Darrin Petrowsky, (620) 901-6557, or Priscilla Petersen, (620) 902-6433.
