KDOT to mill U.S. 400 passing lane in Wilson County

On Friday, Feb. 5, maintenance workers with the Kansas Department of Transportation (KDOT) will mill the patch that was placed last year on the westbound passing lane of U.S. 400 approximately three miles west of Fredonia. The milling will take place between the hours of 9:00 a.m. and 3:00 p.m. The work is being done to improve the ride on the passing lane.

The passing lane will be closed during milling operations, with traffic not expected to be significantly affected. Independence KDOT Superintendent Marcus Leck reminds motorists to slow down, watch for the signs and traffic control devices, and “Give ‘Em a Brake!” Persons with questions concerning the road work may contact Leck at (620) 331-3760 or Priscilla Petersen at 1-877-550-5368.
