K-58 resurfacing projects begin week of Aug. 31

The Kansas Department of Transportation (KDOT) plans to start two projects to resurface K-58 the week of Aug. 31.

The 15-mile combined project area begins at the west city limits of Le Roy and continues east to end at U.S. 169.

Flaggers and a pilot car will direct one-lane traffic through the work zone during daylight hours; expect delays of 15 minutes or less.

The resurfacing work should be finished in one month, weather permitting. Bettis Asphalt & Construction, Inc., of Topeka is contractor on the projects, which have a combined construction cost of \$1.1 million.

Drivers are reminded to obey the signs and flaggers, and to slow down. Persons with questions may contact KDOT Area Engineer Darrin Petrowsky, (620) 901-6557, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
