## U.S. 59 pavement marking project to begin this week

Thursday, May 24, weather permitting, the Kansas Department of Transportation (KDOT) plans to start a pavement marking project on U.S. 59 from the I-35 junction north to the Franklin-Douglas county line.

The contractor will move off the project over the Memorial Day weekend and resume operations on Tuesday, May 29. U.S. 59 north- and southbound traffic will be reduced to one lane at the work zone, with no significant delays expected.

KDOT awarded the construction contract of \$209,000 to Twin Traffic Marking Corporation of Kansas City, Mo. Persons with questions may contact Troy Howard at the KDOT office in Garnett, (785) 448-5446, or Priscilla Petersen at the Chanute KDOT office, (620) 902-6433.
