KDOT to close ramp on U.S. 166 bridge replacement project

The Kansas Department of Transportation (KDOT) plans to close the ramp from southbound U.S. 75 to westbound U.S. 166 on Friday, Jan. 24, weather permitting.

The ramp will be resurfaced as part of the project to replace the South Kansas & Oklahoma (SKOL) overpass west of the U.S. 166/U.S. 75 junction.

KDOT expects the ramp closure to continue until early April. The ramp from northbound U.S. 75 to westbound U.S. 166 will remain open to traffic.

Persons with questions may contact Darrin Petrowsky at KDOT-Independence, (620) 577-7312, or Priscilla Petersen at KDOT-Chanute, (620) 902-6433. Drive safely and always wear your seat belt.

Closure in yellow
