U.S. 75 resurfacing at Caney starts in June

The week of June 7 the Kansas Department of Transportation (KDOT) expects to begin a resurfacing project on U.S. 75 at Caney. Project activity includes a two-inch mill and overlay between the north and south city limits. Traffic will be reduced to one lane in each direction through Caney.

The resurfacing project should be completed in 10 days, weather permitting. KDOT awarded the \$352,388 construction contract to Cornejo & Sons, LLC, of Wichita. Drivers are reminded to slow down in the work zone. Persons with questions may contact Independence Construction Engineer Geryd Erbele, (620) 577-7314, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
