**U.S. 75 resurfacing project starts April 6**

The Kansas Department of Transportation (KDOT) plans to begin a project to mill and overlay a seven-mile section of U.S. 75 in Montgomery County on Monday, April 6.

The project starts at the north city limits of Independence and continues north to the east U.S. 75/U.S. 400 junction.

Flaggers and a pilot car will direct one-lane traffic through the work zone. Expect delays of 15 minutes or less during daylight hours. The road work should be finished in one month, weather permitting.

KDOT awarded the \$1.4 million construction contract to Cornejo & Sons, Wichita.

Drivers are reminded to obey the signs and flaggers, and to slow down in the work zone. Persons with questions may contact Darrin Petrowsky, (620) 577-7312, or Priscilla Petersen, (620) 902-6433.
