I-35 bridge project to start next week

The Kansas Department of Transportation (KDOT) plans Monday, July 13, to start a deck resurfacing and column repair project at the I-35 bridge over 15th Street at Ottawa.

I-35 traffic will be reduced to one lane on both the north- and southbound lanes at the bridge. The project should be finished by early autumn, weather permitting.

KDOT awarded the \$416,000 construction contract to PCI Roads, Topeka. Drivers are reminded to slow down and use caution in the work zone. Persons with questions may contact Troy Howard at KDOT-Garnett, (785) 433-6116, or Priscilla Petersen at KDOT-Chanute, (620) 902-6433.
