Culvert replacement planned on K-105

On Wednesday, Aug. 6, weather permitting, the Kansas Department of Transportation (KDOT) plans to replace a culvert on K-105 in Woodson County. KDOT will close K-105 at the work zone, located approximately five miles south of Toronto, between the hours of 7:00 a.m. and 3:30 p.m. Traffic should seek alternate routes during these hours.

If there is rain on August 6 the culvert replacement will be postponed until Thursday, Aug. 7, with the same daytime hours.

Persons with questions concerning the project may contact Priscilla Petersen, 1-877-550-5368.
