Survey on K-7 starts Aug. 17

The Kansas Department of Transportation (KDOT) plans to begin a field survey on Monday, Aug. 17, on K-7 in Bourbon County. The 11.4-mile survey corridor is on the existing highway alignment, starting at the Crawford-Bourbon county line and continuing north and east to end .4 miles southwest of U.S. 69.

KDOT expects the survey to be completed by December. Activities include the use of survey instruments on the ground to determine locations of existing features within the corridor. A member of the survey crew will contact property owners or tenants for permission to enter private property.

Stan Lloyd and Tuff Hemreck of McClure will manage this survey for KDOT. Persons with questions may contact KDOT Public Affairs Manager Priscilla Petersen, (620) 902-6433.
