KDOT to replace bridge at Sedan

This month the Kansas Department of Transportation (KDOT) plans to start a bridge replacement project at Sedan. The bridge spans Deer Creek and is on U.S. 166 Business (West Main Street). Work is expected to begin around Aug. 22. U.S. 166B will be closed to traffic at the bridge, with a state route detour signed on U.S. 166B and U.S. 166 (see map).

KDOT awarded the \$1.2 million construction contract to B&B Bridge Company, LLC, of St. Paul. Weather permitting, the project should be completed in early 2023.

Check KDOT's updated traveler information website, www.Kandrive.org, for more highway condition and construction details. Persons with questions may contact Independence Area Construction Engineer Geryd Erbele, (620) 577-7314, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
