U.S. 59 resurfacing project set to begin in early August

Late in the week of Aug. 1-5 the Kansas Department of Transportation (KDOT) expects to start a mill and overlay project on U.S. 59 from the Oklahoma-Kansas state line to the north city limits of Oswego.

Flaggers and a pilot car will guide one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less until the project is completed in mid-August.

KDOT awarded Emery Sapp & Sons, Inc., of Joplin, Missouri, the \$2.1 million construction contract. Persons with questions may contact KDOT Construction Engineer Kyler Farmer at (620) 308-7617, or Public Affairs Manager Priscilla Petersen, (620) 902-6433. Check KDOT's updated traveler information website, www.Kandrive.org, for more road condition and construction details.
