KDOT employee celebrates 30-year milestone

Doyle Tegethoff, an Equipment Operator Senior at the Altamont Subarea office, is celebrating 30 years of valued service to the Kansas Department of Transportation (KDOT) this month.

Tegethoff began his career on May 3, 1992, as an Equipment Operator at the Independence Area KDOT office. He served on both the area crew and at the Independence Subarea office before transferring to Altamont in 2017.

He said he enjoys the variety in his work, from posting signs along the highways to running pieces of heavy equipment. The Altamont office covers all maintenance and snow removal activities on the state highway system in Labette and eastern Montgomery counties.

Tegethoff lives in Independence. He is also a volunteer fireman with the Montgomery County Rural Fire District.
