KDOT to replace culvert on K-99

The Kansas Department of Transportation (KDOT) expects on Monday, May 6, to begin a project to replace a culvert on K-99 approximately 3 miles north of Sedan.

There is a driving lane width restriction of 11 feet and a reduced speed limit through the project. Temporary signals will direct one-lane traffic through the work zone; expect brief delays. Weather permitting, the work should be finished by the end of September.

KDOT awarded the construction contract of \$816,00 to Bruce Davis Construction LLC, Emporia. Check KDOT's updated traveler information website, www.Kandrive.gov, for more highway condition and construction details. Persons with questions may contact Robyn Daniels at (620) 577-7315 or Priscilla Petersen at (620) 902-6433.
