Light towers to be replaced on U.S. 69/54 in Bourbon County

Wednesday, April 3, the Kansas Department of Transportation (KDOT) expects to begin a project to install new light towers on the U.S. 69 and U.S. 54 interchange north of Fort Scott. The highway shoulders will be closed at the work zone with minimal effects to traffic.

KDOT awarded the construction contract of \$396,512 to Phillips Southern Electric Company Inc., Wichita. Weather permitting, the work should be finished by late May.

Check KDOT's updated traveler information website, www.Kandrive.gov, for more highway condition and construction details. Persons with questions may contact Construction Manager Warren Ebberts at (620) 901-6549 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
