KDOT to repair I-35 bridges over railroad

Monday, June 12, the Kansas Department of Transportation (KDOT) expects to start a deck repair project on the I-35 bridges over the BNSF Railway in Coffey County. The bridges are 6½ miles east of the Lyon-Coffey county line.

I-35 north- and southbound traffic will be restricted to one lane on the bridges with a speed limit of 60 miles per hour. Weather permitting, the project should be finished this fall.

KDOT awarded the construction contract of \$774,000 to PCI Roads, LLC, Saint Michael, Minnesota. Drivers are reminded to slow down and use extra caution in the work zone. Persons with questions may contact Construction Manager Ian Stringham at (785) 433-6116 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
