KDOT to replace bridge on K-39 in Bourbon County

The week of April 24 the Kansas Department of Transportation (KDOT) expects to start a project to replace the Owl Creek bridge on K-39. The bridge is 2 miles east of the east K-3 junction.

The bridge will be replaced one half at a time, with temporary signals directing one-lane traffic through the work zone. Expect brief delays. The new bridge should be open in late 2023.

KDOT awarded the construction contract of $2 million to Bridges Inc., of Newton. Check KDOT's updated traveler information website, www.Kandrive.org, for more highway condition and construction details. Persons with questions may contact Construction Manager Warren Ebberts at (620) 901-6549 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
