### **K-47 resurfacing work begins this week**

Wednesday, Aug. 2, the Kansas Department of Transportation (KDOT) plans to start work on a K-47 resurfacing project in Neosho County. The 11-mile project area runs from U.S. 169 east to U.S. 59.

Project activity includes pavement patching followed by two asphalt overlays. Flaggers and a pilot car will direct one-lane traffic through the work zone during daylight hours. Drivers can expect delays of 15 minutes or less.

KDOT awarded Bettis Asphalt & Construction of Topeka the \$2.9 million construction contract. The work should be completed by early October, weather permitting. Check KDOT's traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more highway condition and construction details. Persons with questions may contact Doug Pulliam at KDOT-Pittsburg, (620) 235-9523, or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
