# Dave Johnson retires from KDOT

David L. Johnson, Refrigeration/Air Conditioning Service Technician Senior with the Southeast District Office of the Kansas Department of Transportation (KDOT) in Chanute, has retired following 30 years of dedicated service to the agency. Johnson's co-workers, family and friends celebrated his career during a March 11 retirement coffee at the district office.

He began employment with KDOT on January 13, 1986, at Chanute. Johnson has performed electrical work, utility locations and school zone program installations throughout the 17-county district. According to Johnson, "I have worked 30 years with great personnel, and I've grown in knowledge and capabilities over the years to better serve the residents of Kansas and the traveling public."

His plans for retirement include fishing, hunting, and spending time with his children and grandchildren. Dave and his wife Judy live in rural Buffalo. They have three children, Ryan, Brett and Mike, and two grandchildren.
