### **K-31 resurfacing project to start June 8**

The Kansas Department of Transportation (KDOT) expects to begin a mill and overlay project on K-31 in Anderson, Linn and Bourbon counties on Monday, June 8, weather permitting.

The road work starts at the south K-31/U.S. 59 junction and continues east and south to the K-31/K-65 junction.

Flaggers and a pilot car will direct one-lane traffic through the work zone during daylight hours; expect delays of 15 minutes or less.

The road work should be finished in one month, weather permitting.

KDOT awarded the construction contract of \$1.9 million to Bettis Asphalt & Construction, Inc., of Topeka.

Drivers are reminded to obey the signs and flaggers, and to slow down in the work zone. Persons with questions may contact Troy Howard, (785) 433-6116, or Priscilla Petersen, (620) 902-6433.
