Work on roundabout to resume next week

The Kansas Department of Transportation (KDOT) expects to resume work on the roundabout project at the intersection of U.S. 59/U.S. 160 the week of April 27.

Project activity was suspended during the winter months. U.S. 160 traffic will detour on a temporary road around the work zone next week, to be followed by the opening of the temporary north-south road for U.S. 59 traffic.

LaForge & Budd Construction of Parsons is the primary contractor on the \$3.2 million project.

Persons with questions may contact Bob Gudgen, (620) 308-7621, or Priscilla Petersen, (620) 902-6433.
