Mill and overlay on U.S. 160 in Clark County to Begin

Crews will begin a mill and overlay project on U.S. 160 from the Meade/Clark county line east to U.S. 283 junction in Clark County on Monday, April 30.

U.S. 160 will be reduced to one lane guided by a pilot car during working hours with an approximate delay of 15 minutes during the project. KDOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

APAC Shears of Hutchinson is the contractor on this \$381,000 project which is expected to be completed in June, weather permitting.

For more information on this project, contact Joyce Muhlenbruch, Construction Manager, at (620) 227-6122 or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1.
