## **K-156 resurfacing to begin in Finney County**

Crews are expected to begin a resurfacing project on K-156 in Finney County on Friday, Oct. 1, according to the Kansas Department of Transportation. The project includes K-156 from the U.S. 50/K-156 junction in Garden City to the west K-23 junction in Finney County. Work will begin at the west end of the project in Garden City.

Traffic will be reduced to one lane guided by a pilot car during the project. Drivers should expect a 15-minute or less delay in the work zone.

APAC Shears of Hutchinson is the contractor on this \$3.7 million project, which is expected to be completed in November, weather permitting.

For more information on this project, contact Craig Schlott, Construction Engineer, at (620) 765-7096, or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.
