Signing project to begin in Hodgeman County

Crews are expected to begin a signing project in Hodgeman County on Monday, March 1, according to the Kansas Department of Transportation. The project will replace and upgrade signs on Hodgeman county roads.

While most work will take place on the shoulders, motorists should slow down and give crews room to work. Drivers should also remain alert for temporary lane closures as necessary to complete this project.

Mission Construction Co., Inc. of St. Paul is the contractor on this \$49,000 project, which is expected to be completed in May, weather permitting.

For more information on this project, contact Joyce Muhlenbruch, Area Construction Engineer, at (620) 227-6122, or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 260-6397.
