K-96 road work in Ness County to start

The Kansas Department of Transportation expects work on a resurfacing project on K-96 in Ness County to begin on Monday, October 13, weather permitting. The project runs from the Lane/Ness county line through Ness City.

During construction, traffic will be limited to one lane through the work zone during daylight hours, guided by a pilot car. Drivers can expect delays of 15 minutes or less. The Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

Venture Corporation of Great Bend is the primary contractor on this approximately \$3.3 million T-WORKS preservation project.

If you have questions on this project, you can call Joyce Muhlenbruch, Construction Engineer, at 620-227-6122 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 511. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
