I-70 closed at Colby

The Kansas Department of Transportation has closed westbound I-70 at Colby because of continuing winter weather conditions and vehicle crashes in Colorado.

Motorists should expect an extended closure and postpone westbound travel if possible. Closure points may extend farther east into Kansas as accommodations and truck parking fill up.

For the latest information on road closures and conditions, visit www.kandrive.org, or call 511 in Kansas or 866-511-5368 outside Kansas.
