Westbound I-70 closure moved to Russell

The Kansas Department of Transportation has now closed westbound I-70 from Russell to the Colorado border. Eastbound I-70 also remains closed between Hays and the Colorado border.

Additional I-70 closures are possible as accommodations and parking areas fill up. Many secondary routes are also closed in western Kansas. KDOT reminds motorists not to drive around road closure barricades or gates. Doing so may result in a citation or fine.

For the latest information on road closures and conditions, visit www.kandrive.gov or call 511 in Kansas or 866-511-5368 outside Kansas.
