Bridge repairs in Geary County begin Monday

The Kansas Department of Transportation will begin repair of the eastbound and westbound bridges located on I-70 over East Street at exit 298 in Geary County on Monday, April 20.

Traffic will be reduced to one 14-foot lane through construction at a reduced speed. Drivers should expect delays of up to 15 minutes and plan extra time in their travel schedules.

Bettis Asphalt and Construction Inc. of Topeka is the prime contractor for this project at a cost of \$416,242. The contractor has scheduled this project to be completed in September 2020, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
