## **K-15 bridge replacement north of Morrowville**

Work continues to replace the bridge located on K-15, which is located less than one mile north of Morrowville in Washington County.

A temporary traffic signal will direct one-lane traffic through the work zone. Please be aware that there is a lane width restriction of 11 feet and a maximum oversize clearance restriction of 12 feet. Traffic should expect delays and plan extra time in their travel schedules.

King Construction Co, LLC of Hesston is the prime contractor for this \$2.7 million project and have scheduled this project to be completed by August 2020, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
