Bridge Replacement on K-9 in Cloud County

A bridge replacement project that began Tuesday, March 4, 2014 on K-9 is under construction. The bridge over Coal Creek is located 7 miles SW of the K-28/K-9 junction. Throughout construction traffic is being detoured. The detour takes eastbound traffic from the US-24/K-9 junction (at Beloit) east on US-24 to US-81 then north on US-81 to rejoin K-9 in Concordia. Westbound traffic will follow the detour in reverse.

Plans call for the bridge to be completed and K-9 reopened August 8th weather permitting.
