I-70 Bridge Repair to take place in Geary County

The Kansas Department of Transportation began emergency repairs on an eastbound bridge on I-70 just at mile marker 308.7 in Geary County over the McDowell Creek, beginning Monday, June 23rd.

Traffic is reduced to one lane with a 12' width restriction for the duration of the project. Drivers are also able to access the shoulder with-in the work zone. Plans call for repairs on the driving lane to require two weeks.

Plans call for the project to be completed in late August 14, 2014, weather permitting.

This information can be made available in alternative accessible formats upon request.
