On Wednesday, December 10, 2014, a Railroad crossing on K-43 just south of Detroit will be closed for repairs. Work will begin at 8 am and is expected to be completed around 5 pm.

During construction traffic will be detoured around the crossing. Southbound K-43 traffic will go west on Old 40 to Jeep Rd then south to 2200 Ave then east to rejoin K-43. Northbound traffic will follow the same route in reverse.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
