K-148 Bridge Replacements in Republic County

As of Monday, June 2, 2014, the replacement of two bridges on K-148 located .6 miles and 1.5 miles west of Agenda will begin. K-148 will be closed and traffic will be detoured throughout construction. K-148 eastbound traffic will travel north on US-81 then east on US-36 then south on K-15 to rejoin K-148. Westbound traffic will follow the same detour in reverse. Plans call for this project to be completed on or about the end of June 2015 weather permitting.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
