RR Crossing project on K-148 in Washington County

The Union Pacific Railroad plans to close the tracks on K-148 north of Hanover for repairs from March 24th through March 26th. While repairs are being made traffic will follow a detour around the area. The detour will take northbound K-148 traffic south to US-36 then east to US-77 then north to N-8 then west to N-112 Which becomes K-148 at the KS/NE line. Southbound traffic will follow the route in reverse.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
