## Westbound I-70 Ramp on to Southbound I-135 Closed (UPDATE)

The I-70 Westbound ramp carrying traffic on to southbound I-135 is again temporarily closed due to semi stuck on the ramp. Kansas Highway Patrol is on the scene. Efforts are being coordinated to clear the ramp. The time needed to clear the ramp is currently unknown. Until the ramp is cleared westbound traffic is asked to use the Halstead Rd Interchange (249) to exit I-70 re-enter I-70 eastbound to exit onto southbound I-135.

Eastbound I-70 off ramp at 9<sup>th</sup> St. (252) at Salina is partially blocked. Traffic is encouraged to use the Ohio St. Interchange (253) to enter Salina.

Everyone who does not need to be out driving is strongly encouraged to remain home/indoors through the remainder of the snow storm.

Call 511 and/or [www.kandrive.org](http://www.kandrive.org) for road condition information.
