K-28 Bridge Replacement (UPDATE 2)

The start date for the K-28 bridge replacement has been moved back. As of Wednesday, **July 29**, 2015, K-28 will be closed to allow for the construction of a new bridge replacing the bridge located on K-28 5.7 miles east of K-14 in Jewell County. All traffic will be carried through construction on a shoofly detour. The detour will be a rock surface with 14' Wide lanes.

Plans call for the construction of the new bridge to be completed on or about Dec. 18th weather permitting.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
