# US-77 Improvements at Junction City alter traffic at Spring Valley Rd.

Planned improvements on US-77 and selected cross streets accessing US-77 continue to be under construction.

Beginning tomorrow, Wednesday, Dec. 17<sup>th</sup>, temporary stop signs and barricades will be set closing off the north ½ of the Spring Valley Road / Sutter Woods Road intersection. Stop signs will be set on both streets allowing only one lane of traffic thru at a time while the north half of the intersection is removed and re-constructed. All traffic will still be able to access Sutter Woods Road to the west of Spring Valley Rd.

Because this phase of construction will involve adjusting to potential inclement weather and the Holidays completed is scheduled around by the end of first week in January.
