I-70 Interchange Bridge Repair at K-177

Work continues on the westbound I-70 bridge over K-177. Starting Tuesday, Aug. 23rd traffic is being shifted from the passing lane into the completed driving lane allowing work to begin on the bridge's passing lane.

Repairs should be completed and the bridge reopened on or about October 10, 2016, weather permitting.

The purpose of the repairs is to extend the life of the bridge and improve ride quality.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at www.ksdot.org/tworks.
