# K-15 Chip Seal in Clay & Dickinson Counties

Thursday, July 28, 2016, a chip seal project will begin on K-15 in Clay County ending in Dickinson County. Construction begins on K-15 at the south Clay Center city limit and will proceed south to the east K-15/K-18 junction in Dickinson County,

Traffic will be controlled by flaggers and pilot car at a reduced rate of speed during daylight hours only. A 15' lane width restriction is in effect. This project is scheduled to be complete by August 10<sup>th</sup> weather permitting.

The purpose of this project is to extend the life of the road and improve ride quality.

Mid-America Road Builders Inc. of Platte City, MO, is the prime contractor. Project cost is \$605,065.70

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at [www.ksdot.org/tworks](http://www.ksdot.org/tworks).
