Road closures for bridge projects in Saline County

Beginning Monday, Nov. 7, work will begin for a bridge replacement on Shipton Road and a bridge removal on Granville Road, just east of K-143 in Saline County.

During construction, Shipton Road and Granville Road will be closed at the location where the contractor is actively working on the bridge. Local traffic will follow a signed detour via Ohio Road and I-70.

L & M Contractors Inc. of Great Bend is the prime contractor and has scheduled this \$668,194 project to be completed by May 2023, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
