Road closure for bridge replacement in Washington County

The Kansas Department of Transportation is currently overseeing work for the bridge replacement on 14th Road over Ash Creek in Washington County, about one mile west and 3.5 miles south of Washington.

During construction, 14th Road will be closed at the location where the contractor is actively working on the bridge.

Reece Construction of Salina is the prime contractor and has scheduled this \$692,712 project to be completed in Spring 2023.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
